Pauline Rouger

Full Stack Developer

HERE'S MY STORY:

Highly motivated Junior Developer seeking for a new professional adventure. I am a critical thinker with strong problem-solving skills with over 15 years' work experience in hospitality/travel industry, I am a fast learner and very adaptable, continually maintaining a positive attitude while interacting with my peers. I am constantly motivated to develop my skills and grow professionally: I am now looking to bring my upbeat and energetic personality as a team member and expand my knowledge in the industry.

WORK EXPERIENCE

Founder & Travel Planner

2019 - 2021**TIME TO TRAVEL | SINGAPORE**

As a self-starter, I take proud to set myself challenging goals and self-motivate to success. Thanks to Time to Travel, I particularly developed my creativity and ingenuity; I developed my business idea and implemented it by participating in the development of my website, by searching for the right management and technical tools, and business strategies. This entrepreneurial adventure in Tourism in the wake of Covid, made me humble and resilient in the face of obstacles.

Team Leader & Senior consultant

2011- 2020**HELLOWORLD | MELBOURNE & SINGAPORE**

Managing a team of 25 people from 10+ nationalities, deepened my open-mindedness and improved my leadership skills. I learnt to communicate effectively and to be emotionally aware to better meet my team members' concerns. I collaborated proactively across all the group departments.

Restaurant Manager

WIRED CAFE | SAN DIEGO, USA**2007- 2010****PRIMADONNA | MONTREAL, CANADA****2004- 2015**

Hospitality management takes dedication and hardwork in a fast-paced environment. I flourished in my roles thanks to my efficiency and organisational skills. My ability to multi-task and general adaptability were also keys of my outstanding performance.

Reservation Agent

2005- 2017**PARTIR PAS CHER | ANGERS, FRANCE**

Specialising in customer service, I would get out of my way to meet customers needs and solve complex situations. I built a strong relationship with my clients which helped the company to establish its customers' loyalty. Always taking the initiative to support struggling team members strengthened my ability to work in team.

EDUCATIONAL INFO

Full-stack Web Developer bootcamp

2021**LE WAGON, MELBOURNE (REMOTELY)**

From the database to the user interface, learning HTML, CSS, Bootstrap, JavaScript, SQL, git, GitHub, Heroku and Ruby on Rails.
